Beware of Snakes and Their Bites

Summer months are coming. That means heat, hiking, and being outdoors. What happens if you encounter a snake while out and about? Join us for an informative and interactive lecture about snakes in Orange County presented by Dr. Scott Weldy and Dr. Kristi Krause. Learn about snake identification, habitat, safety, signs and symptoms of envenomation, first aid recommendations and treatment. The first part of the presentation is a lecture followed by a live snake exhibit. **PARENTS, please be sure your children are mature enough to sit through a 45 minute lecture, ages five and up advised.** Seating is available on a first come-first served basis.

Shakespeare by the Sea Presents...

TAMING OF THE SHREW

When rebellious Katherina stands in the way of her younger sister Bianca's marriage, fortune hunter Petruchio is enlisted to "tame" the elder daughter, freeing a path for Bianca's motley suiters. From their first meeting, sparks fly and the ultimate battle of the sexes ensues - leaving us to wonder, who is taming who?

For audiences seeking quality, family entertainment, Shakespeare by the Sea's free performances can't be beat. Pack a picnic, a blanket and beach chair, gather loved ones, and settle in under the stars for a night of classic entertainment. The tales are timeless, the admission ticketless, and the experience priceless.

For more information, visit ShakespeareByTheSea.org or call (310) 217-7596.
