FOR IMMEDIATE RELEASE

Laguna Niguel Hosts Annual Summer Job Fair for Parks and Recreation Department Programs and Activities

Laguna Niguel, CA – The City of Laguna Niguel's Parks and Recreation Department will be hosting a Summer Job Fair on Saturday, April 15, from 10:00 a.m. to 1:00 p.m. at the Crown Valley Community Center, located at 29751 Crown Valley Parkway.

The hiring event will provide prospective job seekers with information about the Parks and Recreation Department, current recreation programs and events, and a preview of this year's upcoming summer program offerings. Summer Job Fair attendees will have the opportunity to meet hiring supervisors and participate in on-site interviews. The Summer Job Fair is intended to hire candidates interested in part-time, summer seasonal employment with the Parks and Recreation Department to support recreation programs, community events, facility monitoring, and pool lifeguard positions.

"Our City team consists of many hardworking individuals who help to make our beautiful City thrive, and we are excited to once again host the Summer Job Fair as an opportunity to invite job seekers to be a part of that team through rewarding summer employment," said Mayor Kelly Jennings. "The Summer Job Fair will be a great opportunity for prospective City team members to explore a wide range of the City's seasonal employment options, connect with our knowledgeable supervisors, and gain valuable insight about the positive impact they can have on the community, all while having fun and earning a paycheck."

Interested job seekers are encouraged to view additional information about the available positions, and complete an application prior to the Job Fair, by visiting the City's Job Opportunities webpage at cityoflagunaniguel.org/jobs. Walk-ins are welcomed and applications will be available at the job fair. The minimum age for summer employment is 14.

For more information about the Summer Job Fair, please visit cityoflagunaniguel.org or call the Parks and Recreation Department at (949) 425-5100.
