## **The City of Laguna Niguel is Now Accepting Applications to Fill Vacancies on the City's Youth Committee**

**Laguna Niguel, CA** – The City of Laguna Niguel is now accepting applications from interested high school students residing in Laguna Niguel, with a GPA of 2.25 or higher, for appointment to the City's Youth Committee. The Youth Committee was established with the goal of giving the teens of Laguna Niguel a strong voice and presence in the community. The Committee meets monthly and enjoys a positive working relationship with the Laguna Niguel City Council and other City organizations. The Committee is made up of fifteen members, and there are currently ten positions available.

The Youth Committee is responsible for maintaining and updating the Youth Community and Volunteer Services Directory and the Youth Employment Directory. The Committee also plans and participates in an annual local youth job fair, reviews and recommends new teen recreation programs and events, and plans one or two teen recreation programs each year. Youth Committee members also participate as volunteers at City sponsored events, provide youth input on various City projects, and work cooperatively with the Dana Point Youth Board.

"Youth Committee members serve as an important voice to the City Council. They play a critical role in ensuring that the City's teens obtain the highest quality programs, and that issues important to them are being advocated for. The Laguna Niguel Youth Committee does a fabulous job of representing their teen peers by bringing great ideas forward and working collaboratively to implement their ideas," said Mayor Kelly Jennings. "Our amazing City includes so many devoted and passionate teens, and I encourage them all to submit an application to the Laguna Niguel Youth Committee."
