Laguna Niguel Military Support Committee Provides Adopted Military Units and Families with Support During the Holiday Season and Accepts and Encourages Community Support as Well

Laguna Niguel, CA – The Laguna Niguel Military Support Committee proudly sustains an adoptive relationship with three military units and their families, including the USS Stockdale, the First Battalion, Fourth Marine Regiment and the 1st Assault Helicopter Battalion, 140th Aviation Regiment. The Committee hosts various fundraisers throughout the year to provide donations to the City’s adopted military units and their families, and during the holiday season the Committee accepts financial donations for holiday gifts.

On Monday, November 15, 2021, the Laguna Niguel Presbyterian Church generously donated \$1,500 in support of the Military Support Committee’s efforts. Ms. Cassandra Onryas and Ms. Lori Galloway, members of the Missions Committee at the Church, were on hand to present the donation to the Committee.

The funds will be used to provide \$50 gift cards to the children of the adopted military families at two upcoming holiday events hosted by the Military Support Committee. Additionally, the Laguna Niguel Presbyterian Church is showing further support by holding a Gift Card Drive during the month of December to collect holiday gifts for the City’s adopted military units.

In a joint statement, the Co-Chairs of the Laguna Niguel Military Support Committee, Mayor Pro Tem Sandy Rains and Council Member Rischi Paul Sharma stated, “We are so thankful to the Laguna Niguel Presbyterian Church for their generous donation and for their ongoing support of the Military Support Committee and the greater military community. The holiday season can be a difficult time for many of our military families, especially those who have loved ones stationed overseas. It is always wonderful to see members of the community come together to show appreciation and bring joy to those who make so many sacrifices to protect our freedoms. We want to thank all members of our community for their continued generosity, compassion, and willingness to help others, especially during the holidays.”

The City of Laguna Niguel and its Military Support Committee encourage the public to consider supporting the City’s adopted military units and their families this upcoming holiday season.
