FOR IMMEDIATE RELEASE

COASTAL FIRE MANDATORY EVACUATION ZONE SIGNIFICANTLY REDUCED

Laguna Niguel, CA – On Friday, May 13, 2022, at approximately 3:00 p.m. the mandatory evacuation zone established in response to the Coastal Fire impacting neighborhoods located in the City of Laguna Niguel has been significantly reduced.

The City's partners in public safety, the Orange County Sheriff's Department (OCSD) and the Orange County Fire Authority (OCFA), have been successful with further containment leading to a reduction from 900 homes to 131 homes in the mandatory evacuation zone.

The updated evacuation map can be found at <http://ocsheriff.gov/coastalfire>. Seven residential streets in the impacted area remain under mandatory evacuation until further progress can be made. The streets that remain under mandatory evacuation include:

- Coronado Pointe
- Vista Court
- La Vue
- La Fleur
- Le Port
- Via La Rosas
- Vista Montemar (Residences at 71, 72, 74, 76, 78, 80)

Members of the public are encouraged to view the evacuation map regularly as it will be updated in real time. Any additional updates related to the Coastal Fire evacuation zone will be published on the OCFA twitter page, the City's social media platforms, and the City's dedicated Coastal Fire webpage at <https://www.cityoflagunaniguel.org/1502/Coastal-Fire>.

Residents are encouraged to remain patient while returning to their residences. A Public Information Hotline Number at (714) 628-7085 remains available for those directly impacted by the Coastal Fire. Residents are also encouraged to contact a City staff member for assistance and resources by emailing lnfire@cityoflagunaniguel.org or by calling (949) 362-4300.

A Temporary Care and Reception Shelter Center continues to remain open and is available for residents that have been impacted by the Coastal Fire, which is located at 29751 Crown Valley Parkway. The safety of residents is paramount, and the repopulation of impacted neighborhoods will continue to be a priority when deemed safe.
