Community Entertainment Notes:

The Entertainment Coordinator will review acts and assign performance time slots according to availability and type of entertainment. Entertainers will be allowed to perform once and if there is an opportunity to perform more than once, it will be at the discretion of the Entertainment Coordinator.

A full PA, sound tech, and stage manager will be provided to assist you with your performance. You will need to bring all your gear including instruments and amps. We do not provide backline. DO NOT bring more than one drum set, your own sound board, or wireless mics. Also, a limited number of amps are preferred.

If you are performing to pre-recorded music, please provide the files on an iPod/iPhone or CD. Please bring back up just in case this does not work.

The stage dimensions are 20' x 16' and a small backstage area will be provided. It is suggested that performers come dressed and ready to perform.

Performers will be provided a table to sell merchandise. The table and two chairs will be shared with other performers 1 hour before and 1 hour after your performance, so please only use the table during your scheduled time and do not bring your own table and chairs.

Two parking spots will be available for each band or group that is selected to perform.

All applicants, whether chosen to perform or put on the waitlist, will be contacted no later than Friday, July 29, 2022.
