**SUBJECT: OPPOSE SB 932 (Portantino) – General plans: circulation element: bicycle and pedestrian plans and traffic calming plans**

Dear Senator Portantino,

The City of Laguna Niguel regrets to inform you of our opposition to SB 932. This bill would require cities and counties to develop and implement bicycle plans, pedestrian plans, and traffic calming plans for urbanized areas upon the next substantive revision of the General Plan's Circulation Element. Further, SB 932 would create a cause of action for persons injured in a collision with a motor vehicle against a city or county that fails to implement these plans.

SB 932 makes significant, unprecedented, and overly prescriptive changes to the requirements of the circulation element of local general plans; imposes costly, unfunded mandates for physical changes to local transportation infrastructure; and exposes local governments to significant legal liability. Should you have any questions about our position, please contact Kevin O'Connor, Management Assistant, at [koconnor@cityoflagunaniguel.org](mailto:koconnor@cityoflagunaniguel.org).

Sincerely,

A handwritten signature in blue ink that reads "Elaine Gennawey".
