**RE: SUPPORT SB 942 (Newman) – Low Carbon Transit Operations Program: free or reduced fare transit program**

Dear Governor Newsom,

The City of Laguna Niguel expresses its support for Senate Bill 942, which authorizes a transit agency to use Low Carbon Transit Operations Program (LCTOP) funds for free or reduced fare transit programs on an ongoing basis without having to continuously demonstrate compliance with program requirements, including an annual demonstration of greenhouse gas emission reductions.

SB 942 will provide transit agencies with the ability to rely on long-term, stable funding for these important programs. For these reasons, the City of Laguna Niguel supports SB 942 and asks that you sign SB 922 into law. Should you have any questions about our position, please contact Kevin O'Connor, Management Assistant, at [koconnor@cityoflagunaniguel.org](mailto:koconnor@cityoflagunaniguel.org).

Sincerely,

Elaine Gennawey  
Mayor
