Organize

- Form a board/committee comprised of residents and other wildfire stakeholders
- Obtain a Wildfire Risk Assessment
- Develop a 3-year action plan based on the site's risk reduction priorities
 - Host a minimum of one wildfire risk reduction educational outreach event, or related activity annually
- Meet the minimum wildfire risk reduction investment
- Create a Firewise USA Portal account and submit an application to your state Firewise USA Liaison

What Does It Cost?

- The Firewise organization charges no fees
- Assistance with the community evaluation
 - CAL FIRE, Local Fire Protection Agency, USFS
- Documentation is done by volunteers
- 1 hour per dwelling annual investment is easily achieved
 - “Dwelling” is a single family home, cabin, mobile home or apt.
 - 1 volunteer hour is equal to \$29.95 of investment cost.
 - Hiring a contractor to do clearance work counts too.
