

# Bloomin' Seniors

## Gardening Lectures

### The Thoughtful Gardener

Tuesday Sept 19  
10:00am

*Ever wonder why you garden?*

*Dream of the perfect garden?*

*will take you on a journey through your gardening expectations, including selecting the right plant, the right place, managing your garden, steering away from trouble, and how to get better results with less effort.*

Monday Oct 23  
10:00am

### Water Better, Not Wetter

*If you think conserving water means that you have a barren landscape, think again! We will show you how you can have a beautiful landscape by managing water and gardening smartly. Learn irrigation tricks that will save you money and time while helping the environment.*
