

## CITY OF LAGUNA NIGUEL CITY COUNCIL AGENDA ITEM

---

**TO:** Honorable Mayor and Council Members

**FROM:** Tamara S. Letourneau, City Manager

**DATE:** May 16, 2023

**SUBJECT:** Update on the City's Legislative Advocacy Efforts

---

### **RECOMMENDATION**

Staff recommends that the City Council receive and file this update on the City's Legislative Advocacy Efforts.

### **BACKGROUND**

On February 19, 2019, the City Council adopted the City's Legislative Platform. The purpose of the legislative platform is to provide an outline and means for summarizing the City's core legislative principles and positions on legislative matters for the purpose of advocacy efforts at the regional, state, and federal levels. The legislative platform serves as the foundation for the City to support or oppose various state and federal legislation. The legislative platform was developed to be consistent with and support the City's long-term strategic mission and vision, as well as to maintain the City's Municipal Code.

The Legislative Platform contains "Guiding Principles," which are values that are paramount when determining whether taking action on legislation is required. The Guiding Principles are:

- Preserve and Enhance Local Control
- Fiscal Responsibility
- Promote Economic Development
- Support Responsible Funding Opportunities
- Maintain Quality Public Safety

The Legislative Platform also includes "Policy Statements," which capture positions on issues the City has previously stated concern for or acted upon. These issues include:

- Local Control
- Local Revenue
- Fiscal Responsibility and Sustainability
- Economic Development
- Funding Opportunities
- Drug Abuse
- Homelessness
- Public Safety
- Sober Living homes
- Air Traffic Noise
- Utilities
- Environment
- Local Elections

Since the City Council's adoption of the legislative platform, City Staff has been able to take timely action on legislation and regulatory issues. This has allowed staff to effectively and efficiently communicate the City's positions to legislators and policymakers in Sacramento and Washington D.C. on crucial legislation and regulatory efforts that affect the City and its residents.

## **ANALYSIS**

With the 2022-2024 Legislative Session underway, the legislature has introduced approximately 2,600 bills. Staff continues to work collaboratively and diligently with regional and statewide associations to identify bills of interest as outlined in the City's Legislative Platform.

Using the adopted Legislative Platform, 66 proposed bills are currently being tracked (Attachment A). Staff continues to monitor these bills and take advocacy steps when necessary to ensure the City's identified long-term strategic needs and vision are being advocated.

In the early stages of the 2023 legislative session, the City has submitted four advocacy letters to the state legislator.

<b>Bill Number</b>	<b>Bill Summary</b>
<b>Assembly Bill 701 – Controlled Substance Fentanyl (Support)</b>	AB 701 (Villapudua) Applies the existing weight enhancements that increase the penalty and fine for trafficking controlled substances containing heroin, cocaine base, and cocaine to fentanyl.
<b>Assembly Bill 972 – Local Assistance and Grant Program Streamlining Workgroup (Support)</b>	AB 972 (Maienschein) would coordinate, align, and streamline local government assistance resources to ensure that every community has the same opportunity to compete for state funding opportunities by convening a statewide, cross-agency Local Assistance and Grant Program Streamlining Workgroup.
<b>Senate Bill 44 – Controlled Substance (Support)</b>	SB 44 (Umberg) would require a court to advise anyone convicted of distributing a controlled substance that they may be charged with homicide if someone dies from their drugs.
<b>Senate Bill 423 – Land Use: Streamlined Housing Approvals: Multifamily Housing Developments (Oppose)</b>	SB 423 (Wiener) would modify and expand SB 35 provisions that allow certain multifamily housing developments to take advantage of a streamlined, ministerial approval process.

Separately, the City Council has identified and made a concerted effort to raise awareness of the Fentanyl Crisis occurring in Orange County and nationwide. Using the City's adopted legislative platform, staff has submitted a letter of support for Fentanyl and Substance-Use related legislation. This approach allows the City to convey its support for at least eight (8) separate Fentanyl related bills proceeding through the legislature, in a single letter. This approach supports the City's adopted Strategic Plan Goal #1 Public Safety.

As the legislative session progresses, staff will continue to take appropriate action on legislation in line with the City's Legislative Platform and will provide similar legislative advocacy effort updates as necessary in the future.

### **FISCAL REVIEW**

There is no fiscal impact as a result of this report.

### **LEGAL REVIEW**

No legal review is required for this report.

### **CONCLUSION**

Staff recommends that the City Council receive and file this update on the City's Legislative Advocacy Efforts.

Legislative Track Sheet

Bill No.	Bill Title	Abstract	Recommendation	Author	Date Introduced	Current Stage
AB 6	Transportation planning: regional transportation plans: solutions for congested corridors program: reduction of greenhouse gas emissions	Current law requires that each regional transportation plan also include a sustainable communities strategy prepared by each metropolitan planning organization in order to, among other things, achieve certain targets established by the State Air Resources Board for the reduction of greenhouse gas emissions from automobiles and light trucks in the region for 2020 and 2035, respectively. This bill would require the state board, after January 1, 2024, and not later than September 30, 2026, to establish additional targets for 2035 and 2045, respectively, as specified.	Watch	Friedman	12/5/2022	Passed committee on Transportation, Committee on Natural Resources, and Committee on Appropriations
AB 7	Transportation: project selection process	Would require, on and after January 1, 2025, the project selection process for each transportation project that would be funded, at least partially, from specified funding sources, including the State Highway Account, the Road Maintenance and Rehabilitation Account, and the Trade Corridor Enhancement Account, to incorporate specified principles. The bill would require the Transportation Agency, on or before January 1, 2026, and annually thereafter, to submit a report to the Legislature on how those transportation projects that were completed during the prior year incorporated those principles. This bill contains other existing laws.	Watch	Friedman	12/5/2022	Passed Assembly Transportation Committee and referred to Assembly Appropriation Committee
AB 24	Emergency Response. Opioid Antagonist Kits	Would require bars, gas stations, public libraries, and hotels to acquire an opioid antagonist kit.	Watch	Haney	12/5/2022	Passed Assembly Health Committee and Assembly Judiciary Committee. Referred to Assembly Appropriations Committee
AB 33	Fentanyl Addiction and Overdose Prevention Task Force	Would establish a task force to analyze data on the extent of fentanyl use in California and evaluate approaches to increase public awareness.	Support	Bains	12/5/2022	Passed Assembly Health Committee and Assembly Public Safety Committee. Referred to Appropriation Committee
AB 34	Elections: County of Orange Citizens Redistricting Commission	Provides for the creation of the Commission, and tasks it with adjusting the boundary lines of the county's supervisorial districts in the year following the year in which the decennial federal census is taken. Requires the Orange County Board of Supervisors (board) to provide funding and staffing for the Commission, to ensure that a computerized redistricting database is available, and to ensure that the public has access to redistricting data and computer software equivalent to what is available to the commissioners.	Watch	Valencia	12/5/2022	Passed Assembly Committee on Elections and committee on Local Government. Referred to Assembly Appropriations committee
AB 67	Homeless Courts Pilot Program	Would create a pilot program for unhoused defendants to participate diversion programs that would provide housing, mental health services, substance abuse treatment, and more.	Watch	Muratsuchi	12/7/2022	Passed Assembly Judiciary and Public Safety Committee. Referred to Assembly Committee on Appropriations

AB 68	Land use: streamlined housing approvals: density, subdivision, and utility approvals	Would require a local government to approve a proposed housing development pursuant to a streamlined, ministerial approval process if the development meets certain objective planning standards, including, but not limited to, a requirement that the proposed parcel for the development be a climate-smart parcel, as described, or be included in the applicable region's sustainable communities strategy as a priority development area. The bill would set forth procedures for approving these developments and would set forth various limitations for these developments. The bill would authorize the Department of Housing and Community Development to review, adopt, amend, and repeal guidelines, rules, and regulations to implement uniform standards or criteria that supplement or clarify the terms, references, or standards set forth by this process.	Watch	Ward	12/8/2022	Referred to Assembly Committee on Housing and Community Development
AB 309	The Social Housing Act	This bill would enact the Social Housing Act and would create the California Housing Authority, as an independent state body, the mission of which would be to ensure that social housing developments that are produced and acquired align with the goals of eliminating the gap between housing production and regional housing needs assessment targets and preserving affordable housing. The bill would prescribe a definition of social housing that would describe, in addition to housing owned by the authority, housing owned by other entities, as specified, provided that all social housing developed or authorized by the authority would be owned by the authority.	Watch	Lee	1/26/2023	Passed Assembly Committee on Housing and Community Development and referred to committee on Appropriations
AB 334	Public Contracts: conflicts of interest	Current law prohibits members of the Legislature and state, county, district, judicial district, and city officers or employees from being financially interested in any contract made by them in their official capacity, or by any body or board of which they are members. This bill would establish that an independent contractor, who meets specified requirements, is not an officer for purposes of being subject to the prohibition on being financially interested in a contract.	Support	B. Rubio	1/30/2023	Passed Assembly Committee on Elections and placed on Appropriations Consent Calendar
AB 338	Public Works: definition	Expands the definition of "public works," for the purpose of the payment of prevailing wages, beginning on January 1, 2025, to also include fuel reduction work paid for in whole or in part by public funds performed as part of a fire mitigation project, including, but not limited to, residential chipping, rural road fuel breaks, fire breaks, and vegetation management.	Watch	Aguiar-Curry	1/30/2023	Passed Assembly Committee on Labor and Employment and referred to Assembly Committee on Appropriations
AB 367	Controlled Substances: enhancements	Would add sentence enhancement of 3 to 5 years on a person who inflicts great bodily injury when they sell, furnish, administer, or give away a controlled substance and the person to whom the substance was sold, furnished, administered, or given suffers a significant or substantial physical injury from using the substance.	Watch	Maienschein	2/1/2023	Failed Assembly Committee on Public Safety and granted reconsideration
AB 400	Local Agency design-build projects: authorization	Current law authorizes local agencies, as defined, to use the design-build procurement process for specified types of projects, as prescribed. Current law, among other requirements for the design-build procurement process, requires specified information submitted by a design-build entity to be certified under penalty of perjury. These provisions authorizing the use of the design-build procurement process are repealed on January 1, 2025. This bill would remove the January 1, 2025, repeal date, thereby making these provisions operative indefinitely.	Watch	Rubio	2/2/2023	Passed Assembly Committee on Local Government and referred to Assembly Committee on Appropriations Consent Calendar

AB 440	Density Bonus Law: maximum allowable residential density	Clarifies that the base density for a development requesting a density bonus is the greatest allowable density in the zoning ordinance, specific plan, or the land use element of the general plan.	Watch	Wicks	2/6/2023	Passed Assembly Committee on Housing and Community Development and Assembly Committee on Local Government.
AB 462	Overdose response teams	This bill creates the Overdose Response Team Fund, which will fund overdose response team grants to be administered by the Board of State and Community Corrections. Grants will be provided to county sheriffs' departments to establish and implement overdose response teams to "respond to and investigate" drug overdoses. Additionally, this bill requires each participating county to report information about its operations to the Assembly Committee on Public Safety annually, starting on July 1, 2025.	Support	Ramos	2/6/2023	Passed Assembly Committee on Public Safety and referred to Assembly Appropriations Committee
AB 474	State Threat Assessment Center: Transnational Criminal Organizations	Requires the State Threat Assessment Center and the California Office of Emergency Services to prioritize, to the greatest extent possible, cooperation with state and local efforts to disrupt and dismantle criminal networks trafficking opioid drugs that pose a threat to California	Support	Rodriguez		Passed Assembly Committee on Public Safety and Committee on Emergency Management. Referred to Assembly Appropriations committee
AB 550	Homelessness. Public Hearing	Would require cities and counties to annually conduct a point-in-time count and hold a public hearing to present the data gathered and discuss plans to solve issues related to homelessness in that jurisdiction.	Watch	Schiavo	2/8/2023	Passed Assembly Committee on Housing and Community Development. Referred to the Committee on Appropriations and placed on consent calendar
AB 557	Open meetings: local agencies: teleconferences	Would allow cities to meet remotely during proclaimed states of emergency under modified Brown Act requirements. Would also provide greater flexibility for agencies that meet on a fixed date every month by extending the AB 361 renewal period to 45 days.	Watch	Hart	2/8/2023	Passed Assembly Committee on Local Government
AB 597	Workers' Compensation. First Responders. Post-traumatic Stress	Would substantially expand California's current workers' compensation presumption for Post Traumatic Stress Disorder to emergency medical technicians and paramedics.	Watch	Rodriguez	2/9/2023	Referred to Assembly Committee on Insurance
AB 637	Density Bonus Law	Allows a local government to deny a request from a developer for a concession or incentive if the concession or incentive would alter the requirements of a local program, policy, or ordinance that requires, as a condition of the development of residential units, that the development include a certain percentage of residential units affordable to, and occupied by, households with incomes that do not exceed the limits for moderate-income, lower income, very low income, or extremely low income households.	Watch	Low	2/9/2023	Referred to Assembly Committee on Housing and Community Development
AB 675	Controlled Substance	Adds a substance containing a heroin analog, a substance containing fentanyl, and a substance containing a fentanyl analog to the list of controlled substances for which possession of those substances while armed with a loaded and operable firearm is a felony punishable in state prison by two, three, or four years.	Support	Soria	2/13/2023	Passed Assembly Committee on Public Safety and referred to Committee on Appropriations
