**NOTICE OF ANNUAL ADJUSTMENT  
TO SOLID WASTE COLLECTION RATES**

NOTICE IS HEREBY GIVEN that the City of Laguna Niguel's residential and commercial solid waste collection rates will be adjusted effective July 1, 2025, as explained in this Notice. This rate adjustment will apply to all solid waste customers located in the City of Laguna Niguel. If you are not the person responsible for paying for solid waste collection services for this property, please provide this Notice to the responsible person as soon as possible.

The City currently has an exclusive franchise agreement with CR&R Inc. for the collection of solid waste within the City of Laguna Niguel. This fee/charge is collected for such mandatory solid waste collection for this property. The amount of the charge has been determined to be the actual amount necessary to provide such service to you and, subject to direct billing to the customer; payment is to be made directly to CR&R Inc. by the customer on record. No additional action is required from the customer as a result of this annual rate adjustment.

**Single Family Residential Customers**

The current single-family monthly service rate for the standard set (65 gallons) is \$24.78. The proposed single-family monthly rate for the period of July 1, 2025, through June 30, 2026, for the standard set is \$24.81. This \$0.03 or 0.12% monthly rate adjustment is in accordance with a contractually required rate adjustment which reflects a 21.8% decrease in the Producer Price Index for Natural Gas, a 2.4% increase in the Producer Price Index for Finished Goods less Food & Energy, and a \$1.11 per ton increase in the County of Orange landfill disposal fee. Detailed residential rate information for the most common services (including different container set sizes) is found on the reverse side of this Notice and may also be reviewed at the City of Laguna Niguel's website [www.cityoflagunaniguel.org](http://www.cityoflagunaniguel.org).

**Commercial & Multi-family Customers**

Commercial and Multi-family solid waste rates are proposed for adjustment effective July 1, 2025, through June 30, 2026. The proposed rate adjustments are also in accordance with a contractually required rate adjustment reflecting a 21.8% decrease in the Producer Price Index for Natural Gas, a 2.4% increase in the Producer Price Index for Finished Goods less Food & Energy, and a \$1.11 per ton increase in the County of Orange landfill disposal fee. Detailed commercial and multi-family rate information for the most common services is found on the reverse side of this Notice and may be reviewed at the City of Laguna Niguel's website [www.cityoflagunaniguel.org](http://www.cityoflagunaniguel.org).
