NOTICE OF AVAILABILITY OF COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) FUNDS FOR FISCAL YEAR 2026/2027

NOTICE IS HEREBY GIVEN that the City of Laguna Niguel is currently accepting applications for eligible CDBG-funded services for the Fiscal Year beginning July 1, 2026, through June 30, 2027 (FY 2026/2027).

PROPOSAL: The primary objective of the Federal Housing and Urban Development Department's (HUD) CDBG program is "the development of viable urban communities by providing decent housing, a suitable environment and expanding economic opportunities principally for persons of low and moderate-income." The City of Laguna Niguel anticipates receiving approximately \$330,000 from HUD, of which 15 percent or approximately \$49,500 may be granted to applicants providing eligible social services.

The City is accepting applications from interested, existing tax-exempt California nonprofit organizations that provide eligible CDBG services benefiting lower-income Laguna Niguel residents. A Grants Ad Hoc Committee of the City Council will review all eligible applications and recommend funding allocations for service providers to the full City Council. The City Council will hold a public hearing at a later date to review the Ad Hoc recommendations and make the final award determinations.

Eligible service providers must complete an application package. Applications are available on the City's website, www.cityoflagunaniguel.org/CDBG.

Applications will be accepted from January 5, 2026, until 5:00 P.M. on February 6, 2026, at the City of Laguna Niguel offices and via email. Applications may not be sent by facsimile, and no deadline extension will be granted. Applications may be photocopied but must be signed by the official authorized to act on behalf of the applicant (an electronic signature is acceptable).

Questions regarding the FY 2026-2027 CDBG public service grant application process should be directed to CDBG@cityoflagunaniguel.org.
